At our last meeting a Patrolman from the 105th Precinct again urged us all to report any problems directly to the Precinct. Your police can only be as effective as the cooperation they receive from the community.

One way we can all help is to write to the Police Commissioner and ask that he investigate problems with the switchboard at the 105th Precinct. Write Police Headquarters, New York, New York 10013.

We have received the lists of capital projects scheduled for our area. Starting this summer are the new library for Hillside Avenue, the repaving of Little Neck Parkway and the resurfacing of Commonwealth Boulevard. We will continue to follow these projects and report any new developments to you.

The tree pruning has started in our community and the Parks Department has assured us that the entire area will be pruned this time.

There has been publicity recently regarding opposition to higher electric rates. This is important to all of us and we should have additional information for you at our next meeting.

# The HOT LINE

by Dennis McGann

Our thanks to Police Officer, Barry DuBrow, for his informative remarks at our last general meeting.

Arthur Dattener, has volunteered to be our association's Official Photographer", smiles must accompany all members!

The Spring Dance is off to a good start--it looks like a sell out! A few tickets will be available at our next meeting.

Just a reminder to our community, since our trees are "finally" being pruned, keep your cars in your driveway.

A couple of legislative notes from our State Senator, Frank Padavan, regarding mother nature's "Ice Storm". Pruning of some of our trees and the long period of time that it took before the branches were removed, is being investigated by he and Senator Schermerhorn. This is an extra cost to New York City residents because the Parks Dept. did not accept the lowest bid for the cleanup job from Taylor Tree Surgery, Walden, New York.

The Senate has also passed Senator Padavan's posting of gasoline prices and octane ratings, which must be displayed upon entering gas stations; passage in the Assembly and the Governor is expected.

We would like to welcome Bernadette and Sal DeViva of 87th Ave. to Bellerose. Good Luck in your new home.

Belated birthday wishes to our handsome farmer, Mr. Bruno Biaggi (3/21).

Happy 16th Anniversary to Artie and Laura Hanson (4/13).

Anyone interested in Tupperware products, call Judy Cerise at 347-5485.

Spring is in the air and your probably ready to do some redecorating. Call Rosemarie Hoey at 479-1689 for custom-made drapes, slipcovers and bedspreads. The price is right!

Did you know under the Federal Law, all children's sleepwear, 0 to 6x, must be flame retardant. They must be washed in phosphate detergent, no soap or bleaches, or the retardant protection is washed down the drain. Under State Law, no phosphate in New York State.

A Sears representative at a Chicago branch, came up with a solution. Wash in non-phosphate heavy duty laundry liquid. Tests proved it works.

Recent unlawful acts committed by youthful groups in our area have aroused concern in our community.

The climate of law and order depends, to a large extent, on the people of the community. No police department can effectively protect life and property without the active support and cooperation of the citizens it serves.

Police efforts to enforce laws are increased by the information they receive. We are asking for your assistance by reporting to your police, any information regarding active or anticipated violations of the law; such as: threats to persons or property, extortion of children, larcencies, etc.

You may call 520-9262 at any hour of the day or night, to report any information or make a formal complaint. All information will be held in strict confidence. Insert this number in your phone book for ready reference. The warm weather is approaching and activities of the youth tend to increase.
