VOLUME 4 NO.9

NOVEMBER

1977

SENIOR DAY CARE CENTER...

On August 29, 1977, the Bellerose Civic Association representative to the Health System Agency, Area H Stephanie Rosenthal, met with other Project Review Subcommittee members from Boards D, E, G & H, and observers from Nassau Suffolk HSA, to review a proposal submitted by the Jewish Institute for Geriatric Care (near L.I.J. Medical Center).

The proposal was an Article 28 Application to create a 55 patient day treatment care center for certain geriatric patients who are living alone or with their families. The center will include therapeutic and sustaining medical programs nursing care, training in activities of daily living, diagnostic and social services, speech and hearing, sheltered workshop, dentistry, pharmaceutical, optometry, podiatry, physical and occupational Therapy, dietary services and 2-way transportation between home and the Institute.

The D.T.C. concept is an effort to provide an acceptable alternative to institutionalization. At night the patients would

be returned to their own homes or to their families. Payment would be under Medicaid-Medicare.

Patients served would be limited to the community within a 5 mile or 20 minute ambulette radius.

The Project Review Subcommittee voted favorably with concerns. The concerns were:

1. The transportation costs were to be monitored.
2. A community Advisory Board would be formed.
3. Patient selection to be monitored--no more than the 5 mile--20 minute ambulette radius.
4. Evaluation of the program for cost-benefit ratio.

On September 20, the Central Project Review Committee voted favorably on the proposal.

The proposal now awaits a vote by the State Health Department.

Girl Talk

CONGRATULATIONS

TO Kevin and Laurette Mathews on the birth of lovely twin girls Carolyn Marie and Noreen Patricia born October 7th, 1977.

IT'S TIME

GREEN AROUND THE CORNER

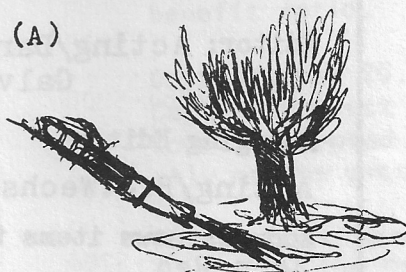

It is almost time to cover up our Yews and Evergreens for the winter

Using heavy craft paper or burlap (never use plastic) as it will retain too much moisture and rot the foliage.

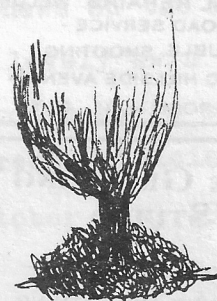

First water the ground around the roots thoroughly, then place bark chips or ground up leaves around the trunk and roots.

Then cover entire bush with cover securing it at three point /the top the middle and the bottom. see illustrations below:

PLEASE PATRONIZE

Our advertisers, business men in our area, are an important factor in stabilizing the neighborhood. Nothing causes a neighborhood to run downhill more quickly than a series of boarded-up stores.

In addition, they provide the needed services that the residents require. Incidentally, they also help finance the "ACTION NEWS".

The message is obvious. In simple, direct terms:

PATRONIZE OUR ADVERTISERS!
They have earned our loyalty and patronage.
