VOLUME 2 NO. 7

SEPT.

1975

by GEORGE WOLF

As we start the beginning of a new season and vacations come to a close, we have some important things to be wary of:

Garage burglaries are up in the 105th Pct. The thief is after bicycles, mowers, hedge clippers, tools and any items they can get out of a garage. Most of these burglaries have taken place in unattached garages located to the side and rear of private houses. More than half of these burglaries occur between the hours of 10:00 PM and 6:00AM. Due to the fact that garages are partially concealed, it is hard for patrol cars to see if any criminal activity is going on.

SOME IMPORTANT POINTERS

1. When garage is not being used, all garage openings should be kept locked.
2. Use case hardened steel chain padlocks (also attach chain to building or stud in garage).
3. Cooperation among nearby neighbors - i.e., keeping each other informed of absence from home.

4. Call the police of any suspicious criminal activity; thus increasing the possibility of catching the thief and/or scaring him away.
5. Also, a light in the backyard will make it better for your safety and protection. The new number for the 105th Pct. is 740-0600.
