MEETING BRIEFS

The June meeting was held June 5, 1980 with Sgt. Price and Officer Shelton of the 105 Pct. as our guest speakers.

Officer Shelton gave us background information on the Block Watchers Program. He pointed out that a Block Watcher can be the eyes and ears of your block and can report any suspicious actions or people to the police.

The police are in need of more volunteers for this program. There is a short training course and upon completion an ID card will be issued to you.

There were 12 volunteers that signed up at this meeting. If you are interested, contact Officer Shelton at the 105 Pct.

Officer Shelton also gave the group a few tips on security.

A purse is not for money, keys, credit cards, etc. These should be carried on your person. Carry a purse securely under your arm.

We make ourselves victims of crime by making it easier for criminals.

If there is any attempt at burglarizing your home, make sure that you report it to the police. This will aid in setting up more patrols in the neighborhood.

President Wechsler thanked the many Block Captains present for their dedicated service to the Association during the past year.

There were two door prizes of American Flag kits awarded at this meeting. Dr. Stella McKeon and John Ferguson were the happy winners.

FLORAL PARK MOTOR LODGE

The long awaited motel opening has finally come to be and we are happy to welcome this new addition to our neighborhood. Fifty-four tastefully decorated units on three floors can be reached by elevator or either of two staircases. Each room is equipped with individually controlled air conditioners, TV and telephone. Two color schemes are featured: burnt orange carpet with patterned drapes and spreads to match, complemented by beige walls or a blue decor--solid blue carpet, again with patterned drapes and spreads to match, cooled by pale blue walls. The usual night tables, lamps, dresser and reading area are provided, all in a most attractive and restful atmosphere. Each unit has its own private bath with tub and shower, and simulated wood sink counter top.

Presently in the process of final completion is a meeting room which will be available for community use, capable of seating 25-30 people. The management hopes to provide continental breakfast here for its guests very shortly.

An ultra-sensitive fire alarm system has been installed, which involves each room unit designated on a board at the Front Desk. At the first sign of trouble, the area in question flashes on.

The Floral Park Motor Lodge has been granted AAA Membership. Management is most determined to cater to a selective clientele, and to continue spotless conditions of the premises. No short term room rentals are permitted. Corporate accounts are maintained for visiting executives. Wedding parties are making full use of accommodations, as well as travelers from the area airports.

Local people have been hired to staff this motel, and it has been listed in the Yellow pages of the phone book for the past year. With serious attitude of the management toward the running of this motel, including their honest desire to become an asset to the community, we look forward to their success and many long years of dependable service with an unblemished reputation.
