JUNE 1945

The regular monthly meeting will be held in Thomas Grill, Hillside Avenue at Little Neck Parkway, Monday, June 11 at 8.30 p.m.

This is the last meeting of 1944-45 fiscal year, and the end of a term of two consecutive years for many of the officers (sufficient unto - - - etc., says the By-Laws).

This group with the Directors are responsible for keeping the Civic Association alive during the most trying years of the War. The crisis has passed and the members of the Community are pepping up and showing more interest in civic affairs, so here's hoping a large crowd will come out this Election Night (June 11) and vote for the candidates they think best suited to hold office in this, the largest Civic Association in Queens.

Here is the slate:

"The HI-HO of FAIR"

ANNOUNCEMENT—By the Fair Publicity Committee

The committee after much time and effort has completed plans for the Fair.

A gala parade has been scheduled to precede the official opening of the Fair.

Starting at the Holy Trinity Lutheran Church, 87th Avenue and 247th Street, Bellerose at 3 P.M., Saturday July 7th, the parade will end at the fair grounds where special ceremonies will take place for the rededication of the Honor Roll.

Led by the Bellerose Commonwealth Civic Ass'n color guard and massed flags there will be the Boy Scout Band of Troop No. 216, the Brownies, the Cubs, the intermediate Girl Scouts, followed by the Boy Scouts Troop No. 178, the senior Girl Scouts and representatives of other organizations.

The Boy Scouts will erect a camp site with full equipment the day before the fair and camp out over night. (Be sure and see the camp.) The Girl Scouts and Brownies will have several interesting booths including handicraft displays, puppet show, cookies and candy and fish ponds well stocked. The Cubs will have a hobby show displaying their craftsmanship. You will be both surprised and amazed at the abilities of the youngsters in this organization.

Our good friend Capt. Thomas Boylan of the 105th Precinct, has graciously agreed to entertain the children with his movies.

S.O.S. — M.F.T.!!! — Cigarettes!! All the popular brands, too!!!! Visit the cigarette booth at the Fair, it's a BONANZA!!!

"THAT OLD GANG OF MINE"

With this issue of THE MANOR NEWS, we are inaugurating a special column, a sort of "keep in touch" column in which our boys in Service may continue friendships of childhood and school days. So many of them were separated just when foundations were being cemented for lifelong friendships.

Here we will print excerpts from letters home in which the boys ask news of Service buddies stationed overseas or in camps here at home. In time, perhaps, they may correspond directly through this column, for copies of the magazine are most likely sent to all the boys in Service by their parents.

We think the idea has potentialities, and certainly it will be a splendid thing if these early friendships be not disrupted because of the exigencies of war. After all, those friendships started in youth are the truest, most lasting and best of all.

Here is the first excerpt to appear, and it is our fond hope that future editions will carry messages to all points overseas and here at home.

Eddie Duffy of 250th Street, aboard a carrier in the Pacific, sends congratulations to George Boruch on joining the Navy. Ed says, "Glad to see in the March issue that George Boruch got into this lash up. Hope to see him out here soon." Eddie would also like to hear some news of the Bellerose Aces.

Mailing address of most of the boys may be obtained from the Editor.

ST. ALBANS HOSPITAL

The wounded vets appeal to the men for old leather gloves,—to the ladies for corset stays—to help restore the muscle functions in their hands. To the general public they appeal for playing cards to while away those weary hours. Send to Mrs. Richard Kenner, 86-43 247th Street.

HONOR ROLL PRIZE OFFERED

Because of the extensive alterations contemplated on the Honor Roll, the committee is desirous of inscribing, thereon, a suitable "Motto." We look to the members of the Civic Association to assist us in selecting a Motto that is fit and in keeping with our efforts. Please act quickly as the time element is very limited. Send in as many "Mottos" as you care to. A suitable prize will be presented to the winner after the rededication of the Honor Roll, which takes place on the day of the HI-HO-FAIR, July 7th.

All you have to do is fill out the coupon and send it to the Editor. But, do it now! Send additional "Mottos" on a separate sheet of paper. In the event of duplicate entries, the one received first will be judged the winner.

Bellerose-Nassau Honor Roll has inscribed on it "BY THEIR DEEDS MEASURE YOURS."
