## Hearts

Virginia McPheeters

*A heart is a curious, wonderful thing;  
It can't be ignored—not yet explained.*

*It's something you have that you  
don't want to keep;  
It's always for another's you seek.*

*You may carefully keep yours in perfect shape,  
Then another heart may make it break.*

*You may keep your heart under lock and key  
And stoutly insist, "It belongs to me."*

*Then another may come from out of the blue  
And your heart no longer belongs to you.*

*And your state indeed is sad and forlorn  
If the gift of your heart brings none in return.*

*But your joy untold will be ever new  
If you look for your heart  
and find you have two.*

## TAX RELIEF PLAN PROPOSED

In our political set up we generally have more effort from the "OUTS" (the party not in power) who are very smug once elected, and forget all about campaign promises.

Salary increases is the first item on the agenda:— fifty per cent no less, and in N.Y.C. a big boost in expense allowances. In Washington, we next take care of big business at the expense of Tom, Dick and Harry. In New York City the powers that be are wracking their brains to find another source for a nuisance tax,— more money for the political appointees.

Up in Albany they are cutting out paper dolls or the equivalent, as Assemblyman Fred Preller tells us that last year the legislature picked the rose as New York's official flower. This year the blue bird has been nominated as the State's bird, the sugar maple as its official tree. "Next year, maybe they'll get around to nominating the taxpayers as the State's official goat."

Assemblyman Fred W. Prellers message follows:—

The Queens Republican delegation to the State Legislature is proposing a home owners' tax relief plan as a result of a report by Assemblyman Fred W. Preller of Queens Village, senior legislator of the group it was announced over the week-end.

The plan, a key part of a new all-Queens legislative program to be pressed at the present legislative session, has two parts:

1.—A proposal for a screening of tax exempt properties (excluding religious properties) with a view to restoring a percentage of them to the tax rolls. In New York City an estimated \$8 billions in properties now are exempt from taxation.

2.—A proposal for a real estate tax exemption on the first \$1,000 of assessed valuation of one-

family houses and \$500 on the owner-occupied half of two-family houses. In New York City there are about 300,000 one-family and 200,000 two-family homes. More than half are in Queens County.

The Queens legislators' plan calls for the creation of a legislative commission to study prospects of raising a sufficient probable cost of homestead tax exemptions.

It is emphasized that the home owners' tax relief plan is the initial part of a legislative program being worked out.

Participating, besides Mr. Preller, are State Senator Walter G. McGahan of Flushing and Assemblymen Anthony P. Savarese Jr. of Kew Gardens; John Di-Leonardo of Flushing and Charles Eckstein of Ridgewood.

In a joint statement, the legislators in reference to the New York City situation said:

"Something must be done soon to take some of the constantly growing real estate tax burden off the backs of the small home owner. Many home owners with fixed incomes, including those living on retirement income, are in dire straits. If something is not done, the ever-rising real estate taxes will cause the loss of many homes.

"Small homeowners understandably are aroused at the upward spiral of taxes caused in part, by the ever-increasing amount of tax exempt properties taken off the rolls. We believe our plan rates the close study of the Legislature."

Assemblyman Preller's report on which the delegation acted included the results of his most recent poll of voters in his district on current legislative problems. He found 98.1 per cent of his constituents favored a screening of tax exempt properties and 97.4 per cent favored the homestead exemption.

The joint statement concluded with:

"The homestead tax exemptions which we suggest would cost the city about \$16 millions in real estate tax revenue on a approximate \$4 tax rate whereas a reasonable review of the city's tax exempt properties, now nearing \$8 billions, could yield \$16 millions if only 5 per cent of the exemptions were returned to the tax rolls. Should a greater percentage result, we stand ready to propose a greater homestead exemptions."

A life is more precious than the time you'll save speeding.

Former City Councilman Aloysius J. Maikel has been appointed Deputy State Insurance Superintendent.

We know of Al first as a Legion Commander and then as a conscientious City Councilman; — a post he lost during the wrangle between City Hall and Queens Democrats.

We congratulate Al on this appointment.

## SCHOOL DAYS

BY TEACHER

### READING RETARDATION

A few months ago newspaper headlines were screaming that more than half of the first year high school students in one of the nation's big cities were below par in reading. If this is true of one city it is possibly true in other large cities throughout the country.

Statistics showed some pretty harrowing facts. They revealed that the retardation discovered was from one to six years below grade expectancy. This means that in the high schools under study, students of approximately fifteen years of age were reading on fourteen, thirteen and even lower levels, some as low as a nine year old level. In addition to this, these statistics showed that some very bright children with high intelligence quotients (I.Q.'s), who should be reading above grade expectancy, were also retarded in reading. For example a fifteen year old child with an I.Q. of 135, well above the normal I.Q. of 100, has a mental age higher than another fifteen year old child, who has a normal I.Q. of 100. The child with the I.Q. of 135 is smarter than the child with the I.Q. of 100 and should be doing more advanced work or at least should be getting much higher ratings than the latter.

What then is the reason these normally and better than normally intelligent children are failing academically, especially in reading?

Many reasons have been advanced such as overcrowded classes, too few remedial reading teachers, physical or emotional

blocks and the like.

Only the continued cooperation of parent groups can help overcome the over crowded school or class room situation and the need for more teachers especially for remedial services. This cooperation should not be left to the mothers alone. Fathers should join up and add their voices too. City officials must be made to realize it is cheaper to educate a child in his youth than it is to keep him in a penal institution after he becomes an adult. Ignorance as well as the lack of discipline is a contributing factor to delinquency at all ages and inability to read is paramount ignorance

Some cities have a special reading clinic to which the poor reader may be taken by his parents. The specialists at the clinic may discover the cause of the child's failure. If it is an emotional block they may suggest treatment at a mental clinic. If the cause is physical they may suggest eye, ear or other clinics for physical checkups. The advice of these specialists should be sought and heeded.

One important reason for reading retardation should not be overlooked. This is the child's own lack of desire to learn. It may be attributed to mental laziness or indifference. Exposed for nine years to the teaching of reading there is little excuse for most normal or better than normal children not knowing how to read, if they paid a reasonable amount of attention to the instruction given. Retardation on the part of these children is often the result of passive resistance to learning.

Before World War One, people read avidly for entertainment. After the war, with the development of the motion pictures and ultimately the television, many people gave up reading because it is easier to look and listen. Many children have done the same.

Parents of average and bright

children must themselves cultivate a love for books and in doing so inculcate their children with a desire to read. In this way they aid the school to overcome indifference to the printed word.

**RED CROSS IN  
75th YEAR**

To start off the 75th anniversary year of the American National Red Cross, Mrs. Michael M. Schulz of Hollis, vice chairman for volunteers of the Central Chapter of Queens, American Red Cross made an appeal for new volunteers in 1956. "If we are to expand the twenty community services performed by our Red Cross Chapter, we must have hundreds of additional volunteers," Mrs. Schultz said today. "I am, therefore, asking Mrs. Ernest Nelson of Richmond Hill, recruitment chairman of the Chapter to put on a concerted drive for new volunteers. Red Cross services are so diversified that every volunteer can find an interesting assignment."

Mrs. Schultz stated today that there is a need for more Gray Ladies to serve in military and civilian hospitals; new motor drivers who can spend a few hours each week driving patients to and from clinics and making blood deliveries; Staff Aides to do typing, filing and reception work at Chapter Headquarters and in various civilian hospitals; All Service Blood Program Aides are especially needed and after a short orientation course they are assigned to blood banks near their homes.

Other services in need of new volunteers are Canteen, Hospital Dressings, Social Welfare Aides, Junior Red Cross and Fund Raising. As soon as enough registrations have come in, classes in these services and others will be formed.

Volunteers are urged to call the Central Queens Red Cross Chapter at 92-32 Union Hall Street, Jamaica, REpublic 9-6880, extension 9 for an interview. After a short orientation in Red Cross procedures, they will be placed in whichever service they are best qualified.

SCOUTING**

The "God Bless America" Fund has made a special grant of \$10,000 to help the Girl Scout Council of Greater New York in its current expansion program according to an announcement made today by Mrs. Howard Phipps, Council president.

(The "God Bless America" Fund was established by Irving Berlin in 1940 on the royalties from his song of the same name to be used for philanthropic purposes, and especially for children).

Mrs. Phipps said the \$10,000 grant would be used to increase membership in certain Scout areas in Bronx, Brooklyn and Manhattan, know as the Irving Berlin districts where there is a high juvenile population.

In its city-wide expansion plan to increase Scout membership 50 percent by the first of next year, Mrs. Phipps explained that the Council is basing Scout increases on areas having the most girls of Scout age—"grants, such as The "God Bless America" gift are being used to bring more Scouting into all districts according to girl population," the Council president said.

Herbert Bayard Swope, chairman of the Trustees of the Fund, in a letter to Girl Scout Council officers, said that his fellow trustees, Mrs. Theodore Roosevelt, Jr. and Gene Tunney joined with him in wishing full accomplishment of the expansion work undertaken by the organization, "especially in areas where children are desperately in need of the protection and experience of Scouting," Mr. Swope said.

**TROOP 4-48**

At the last meeting of Troop 4-48, time out was taken to evaluate the past three busy months and we found that:

1. We had just received a letter of congratulation from Mrs. Charles M. Cremer, the Queens Cookie Chairman, for our wonderful record in the Girl Scout Cookie Sale.

(a) As a result of this sale, our badly deflated treasury has resumed healthy proportions.

2. Our trip to Rockerfeller Center for the Holiday Show was a pleasure long to be remembered.

(a) Here special thanks must go to the leaders and to Mrs. Wood, Pasquarella, Hrbek, Rotgers and Schmidt.

3. Our Christmas Party was lots of fun for all with each group of girls offering the experience gained through the last badge.

(a) Our service included decorating jars of bath salts for our mothers and donating socks for a sock tree destined for needy.

4. At present, plans are being made to take the Ice Skating badge and all heads are huddled on this project.

Result — Unanimously agreed:

1. Our work paid off.
2. Our fun has become wonderful memories.

Mrs. Kleiner has returned after her illness, and we hope at press time Mrs. Reinhardt will also have returned in good health.

Dear Mr. Begley;

Please be good enough and insert in your next issue of the Bellerose Manor News our sincere expression of thanks to our neighbors and friends for their concern for Mrs. Stein during her illness. Our message of thanks extends to the local organizations e.g. the Girl Scouts, the Brownies, the Mothers' Club of P.S. 133, the B'nai B'rith for their "Get Well" notes, telephone calls, visits, etc.

Mrs. Stein is recuperating now in Miami Beach and is gradually regaining her health. She hopes to resume her activities in the above named organizations in the Spring.

Thank you for your courtesy.

With best wishes for a Happy New Year, we are

Sincerely yours,

The class is meeting for an hour and a half each week. A similar class for adults will be held in March.

Touches for loans put the finishing touch on many friendships.

**UNITED PRESBYTERIAN CHURCH ELECTS OFFICERS**

At the recent congregational meeting the United Presbyterian Church voted to increase the Board of Session to ten members. The two new men elected were Mr. Harold Thompson and Mr. Edward Ritter for terms of four years. The Board of Deacons had two vacancies and they were filled by the election of Mrs. Betty Ritter and Mrs. Ruth Schreiber for terms of three years. Three men were elected to fill the Board of Trustees. They were Mr. John Batik; Mr. Arthur Lea; and Mr. Fred Jones for terms of three years. Mr. Max Muller was elected to fill the unexpired term of one year of a trustee who had moved away. The Congregation also adopted an \$11,000 current expense budget for the year 1956. The congregation is pleased in the fact that they have increased their mission pledge to the point where it is double that which they gave last year. Reports from all the organizations of the church indicated that a good year is behind and an even greater year is anticipated in 1956.

**ST. GREGORY'S TEEN-AGERS LEARN SQUARE DANCING**

On the regular weekly meeting of the St. Gregory active Confraternity Club each Thursday evening, the teen-age members of the parish are receiving Square Dance instructions. The capable teacher is Mrs. Kathy Berdgraff, formerly of Miami Beach, and now a permanent resident in Bellerose.

Miss Berdgraff is giving a series of eight instructions in preparation for a gala Square Dance to be held on March 1st. The teenage pupils are responding splendidly.

On Thursday evening, January 26th, the Confraternity Club sponsored a "January Hop" Dance with music afforded by the popular "Collegians." On Feb. 2nd the Confraternity members will be treated to a play "The Young Like You" honoring Our Blessed Mother on her feast-day, The Purification. The play will be presented by the parish's Blessed Virgin Sodality.

All the Confraternity Club members are eagerly looking forward to Feb. 12th when they will view together the New York Ranger and Detroit Red Wing hockey game over at Madison Square Garden. Facilities for the group to go swimming at the Sheraton Hotel in the afternoon or ice skating at the Wallman Memorial Rink are being arranged.

A "Valentine Dance" will be held in the lower basement on Thursday evening, February 16th, and the music will be by "The Collegians."

On February 22nd, Washington's Birthday, the Confraternity Club will go on an outing to the West Point Military Academy. It promises to be a most enjoyable and memorable day for all the active members of the Club.

**UNITED PRESBYTERIAN CHURCH HOLDS ANNUAL FATHER AND SON DINNER**

The Men's Brotherhood of the House of Hope United Presbyterian Church will hold their Annual Father and Son Dinner on February 18 at 6:30 in the Fellowship Hall of the Church. Tickets for the dinner will be \$1.00 and may be obtained from any of the men in the Brotherhood. An interesting feature of the dinner this year will be the fact that men plan on preparing the food themselves, with just a little assistance from the women. The menu calls for ham and all the trimmings that go into making a dinner that fathers and sons enjoy. The program committee has "unearthed" some excellent talent to make the program one of the finest in the history of these annual dinners.

**TEENS—AGAINST—POLIO DANCE**

Another TAP (Teens-Against-Polio) Dance will be held in Queens on Tuesday, February 21st. The Dance is being organized as a result of the first TAP Night Dance, held December 26th, when more than \$1,000 was raised by Queens teenagers for the March of Dimes.

The February 21st TAP Dance will be held in the YM and YWHA, 153rd Street and 90th Avenue, Jamaica. It is being sponsored by The Jordans of the "Y."

A novel feature of this TAP Dance will be the method of admission. The dance is open to all teenagers who donate ten dimes, with all proceeds going to the March of Dimes.

Entertainment and door prizes will highlight this TAP Dance. Guiding spirits of the event are Joyce Wolk of 90-23 149th Street, Jamaica, "Youth Leader" of The Jordans, and Myrna Churgin of 90-11 149th Street, Jamaica.

Information may be obtained by calling Miss Wolk at Jamaica 6-6530 during business hours or REpublic 9-1637 after 5 P.M., or Miss Churgin, at JAMAica 6-5109.

**ST. GREGORY'S SODALITY GIRLS PRESENT PLAY**

Also, View Hollywood Ice Revue at Madison Square Garden

A group of energetic girls who are members of St. Gregory's Blessed Virgin Sodality will present a play on February 2nd to the Teen-age Confraternity Club at its regular Thursday night meeting.

The play is entitled "The Young Like You" and points out the spiritual symbolism of blessed candles and pays tribute to the Virgin Mother of God. It will be presented on the day of Our Blessed Mother's feast day of the "Purification."

The cast consists of Ellen Cerny, Gael Keenan, Mary McDonnell, Mary Quici, Rosemary Backus, Barbara Derenowski, and Mary Dennington. The Play is under the capable direction of the Sodality's prefect, Miss Mary Lou Backus.

While the Sodality has its sights set on the presentation of this play to the Confraternity Club, it is also looking forward to joining the audience of the Hollywood Ice Revue on Wednesday evening January 25th, over at the Madison Square Garden. Future plans for the Society call for a Fashion Show with emphasis on Modesty in party, cocktail, and evening dresses. Installation and reception of new officers and members will take place in the Church on February 2nd, at 7 p.m., fittingly on the feast of the Purification of Our Blessed Mother.

George H. Ashdown, President of Ashdown of Queens Village has been elected a Director of the Reliance Federal Savings and Loan Association of Queens Village.

**GRACE LUTHERAN RELEASE TIME BIBLE CLASS**

Much interest is being displayed by the children of the Release Time Bible School of Grace Lutheran Church, Queens Village, N.Y. The school meets every Wednesday afternoon, from 2 to 3 p.m. The Rev. Rudolph D. Prange, vicar assistant is in charge of the school which is staffed by 12 teachers.

Pastor Prange in order to have the pupils understand the teaching of Luther's Catechism has constructed several displays on the First Article of Luther's Catechism, which is the Creed. The First Article deals with the Creation of The World, five displays dealing with the Creation have been made and the 6th display is in the process of construction. Pastor Prange using, discarded fruit crates, wire, plaster of paris, cotton wadding and paints, made these displays, which has attracted the interest and attention of the pupils.

At present the pupils are working on a display, which they will construct, depicting the Garden of Eden.

Over 65 children attend the school, ranging from the kindergarten to 8th grade. Several pre-school children attend the sessions, the youngest being four years of age. Pastor Prange stated that if anyone attended the session they would be amazed at the way the four year old pupils relate the story of the creation. He feels that this has been brought about the use of the displays, bringing about a fuller understanding of The Creation.

The same method will be used in the study of the 2nd and third article of Luther's Catechism. The second Article will deal with "Scenes of the Life of Jesus," while the third Article deals with the obligation of the church "Missions, Institutions, Education, etc."

**WHY MOTHERS MARCH PART IV**

By Mrs. Thomas Grodin, Queens Chairman, Mothers' March on Polio

In the midst of our Jubilation last year over the success of the Salk anti-polio vaccine, we were brought face-to-face with the shattering realization that polio was stalking our land again. Day after day, as the terrible heat of the Summer increased, the toll in human lives taken by polio mounted.

Do you remember the reports of the cases, printed in your newspapers? Do you remember the terror caused by polio in Massachusetts? Do you remember the fear for your own loved ones?

The Salk vaccine checked the tide of polio and turned it back. We are sure now that the vaccine saved us from an epidemic of terrible proportions. In a real sense, you who read this saved us from that epidemic. Because you worked for and gave to the March of Dimes through the Mothers' March on Polio, the Salk vaccine was made possible.

But what of those struck during the Summer of 1955? What of those mounting statistics? Can we forget them?

Can we forget the struggle for life waged in the iron lungs throughout the country? Can we forget the labored breathing of the child? Can we ignore the adult struck down in the prime of life and forced to battle for survival in narrow confines of a bed? Can we forget the infant, hardly aware of his existence, caught in the trap of a cast?

These are the sights and sounds of Polio I remember when I think back to 1955. YES, I remember the power of the Salk vaccine, but, more than that, I remember all those for whom the vaccine came too late and I think ahead to those who will be hurled down by the terrible scourage of polio until everyone has the protection of the vaccine.

We have come a long way since the March of Dimes started 18 years ago. We are winning the fight against polio and our victory is assured.

But that victory will be hollow and inhuman if we forget for one minute those who fell in the bat-

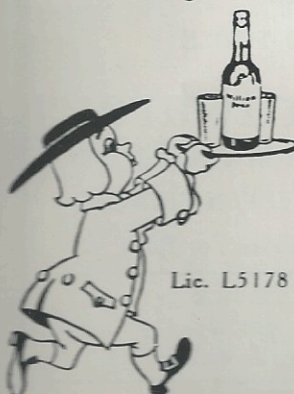

les. It is up to you and to me to see that no victim of polio is left to fight alone.

Will you join those who fight alongside the stricken? Will you remember the fallen fighters? If you did not contribute to the "Mothers March on Polio" send your contribution to March of Dimes, Box 800, New York 1, N.Y.

**B'nai B'rith to Celebrate A First**

B'nai B'rith, Independence Chapter and Lodge has cordially invited the entire community to participate in the First Annual BELLEROSE BROTHERHOOD COMMUNITY NITE, which will be held on Thursday Evening, February 23, 1956, at the Auditorium, at P.S. 172.

One of the highlights of this evening will be the public presentation of the winners of the B'nai B'rith Brotherhood Poster Contest. Mrs. Henry Poliakoff, Principal of P.S. 186, Miss Mullins, Principal of P. S. 172 and Miss Duffy, Principal of P.S. 191, will be among the prominent educators, clergymen and civic leaders to make the awards.

The Honorable Louis Wallach, State Assemblyman, has consented to act in the capacity of Master of Ceremonies for the evening. The invocation will be given by Rev. Lorimer of St. Paul's Lutheran Church and the convocation by Rabbi Bogner of Bellerose Jewish Center. The Boy Scouts from Bellerose Jewish

Center will be the color guard.

Also honored this evening will be Mr. Carl Braun, out standing star of the New York Knickerbochers, who in turn will present an award to the B'nai B'rith Eagles, winning team of the Bellerose Little League.

In the lighter vein will be an exciting dramatic presentation by the Fresh Meadows Community Theatre.

Another feature of the meeting will be a first in our community's history. An award will be made to the person on our area who has contributed most to the ideals of Brotherhood. This person will be selected by a panel of distinguished judges from nominations submitted by all local religious, social and civic organizations.

Additional nominations by our readers are welcomed for consideration by the committee. Names of individuals, accompanied by a brief statement outlining reasons supporting the choice, may be submitted to this newspaper.
