Assessed Valuations

As reported at the meeting of the Bellerose-Commonwealth Civic Association, Assessed Valuations did not go up in our community with the exception of homes where improvements had been made.

There was a time when depreciation was considered as a house got older and assessed valuation dropped appreciably, but today we keep climbing and now after twenty years our taxes are more than double.

Notice

The deadline for the April Issue of the Manor News will be March 19th.

Theodore Roosevelt Birthday Centennial Being Observed Nationwide

The centennial birthday observance of one of the nation's great presidents, Theodore Roosevelt, is currently being celebrated countrywide in a series of commemorative events honoring his many contributions to the American way of life.

The focal point of these observances, according to the New York Convention and Visitors Bureau, is the Theodore Roosevelt Centennial Commission which makes its headquarters at 28 East 20th Street, New York, where Roosevelt was born on October 27, 1858.

Known as the "Theodore Roosevelt House," the birthplace of the famed leader of the "Rough Riders" is now a national shrine to his memory and is open to the public daily except Monday from 10:00 A.M. to 4:30 P.M. On Sundays and holidays the House is open from 1:00 P.M. to 4:30 P.M.

Furnished in the period of the 1870's, the residence is a treasure trove of diaries, letters, cartoons and Roosevelt memorabilia that has drawn admirers, historians and students of the Roosevelt era to its door from practically every country in the world and every state in the Union.

In New York City, Mayor Robert F. Wagner has appointed Francis

W. H. Adams, a former occupant of a post that Roosevelt administered with distinction 60 years ago, the police commissionership, as chairman of a Citizens Centennial Committee which is making plans for a city-wide observance of the occasion.

Nassau County, New York in which Sagamore Hill, Roosevelt's home is located, is also preparing to do its part in the nationwide observance of the Centennial, as are the states of Arizona, California, North and South Dakota, and Wyoming where Roosevelt spent many years during his active life.

Those who are thoughtful of others never make successful gossips.

March 25th will be a business meeting and the Election of Officers for the next term. A social will follow.

SCHOOL DAYS

BY TEACHER

Candidates For Higher Education

Most of the nation is either blanketed with snow or shivering in the icy grip of a cold wave. June and graduation seem very far away now under these climatic conditions, but in a few fleeting months the big day for many students will have arrived. Long before this day arrives plans should have been made for the future education of the young graduate. These plans should have been made with several premises in mind.

Whether or not and how a youngster should continue his education should be considered with the following questions in mind.

Is the graduate sufficiently academically minded to justify higher classical education?

Are his grades high enough to warrant his securing passing marks in institutions of higher learning?

Is the pupil professionally minded or motor minded?

Has the student an intelligence quotient sufficiently high to enable him to assimilate higher education?

The foregoing should be given serious consideration in conjunction with problems of family finances and needs.

Many boys and girls prefer to work with their hands rather than be employed in an office, in the classroom or in areas of other professions. This does not mean

that these children have a lower scale of intelligence than the others. It simply means they like to create with their hands and in order to do so they must have imagination and intelligence. For the graduates from junior high school, who wish to do manual work, there are many good vocational high schools that teach the skills of highly lucrative trades. For those interested in business and office work, high schools offer splendid courses in stenography, typing and business administration in addition to the regular courses of English, mathematics, social studies and other subjects found in the high school curriculum.

Only pupils preparing for college should take the classical high school courses which include foreign languages, higher mathematics, science and those subjects taken as a preparation for professional life. This brings up the question as to who should go to college.

To be successful in his studies in college a student must possess superior intelligence. All high school graduates do not have this gift of superior intelligence. However, many have sufficient intelligence to obtain passing grades in a two-year junior college. These colleges are being established in many places and for the person interested in semi-professional careers they offer great advantages.

Those interested in medicine, science, teaching and top business executive positions must of course attend a regular four-year college. They must realize that to be successful both in college and in their subsequent careers they must bend all their energies toward their ultimate goal.

There are of course those who feel it a social advantage to attend college and others of little ambition, who use those four

years as an excuse to loaf a little longer in life. This may satisfy the parent who has money to burn, but the average hard working parent should look at the situation with a cold critical eye and determine in his own mind whether he should hustle him off into the work-a-day world earlier in life.

Extension Service

The Bellerose Unit of the Nassau County Extension Service will hold its regular business meeting Wednesday, March 12, 1958 at 12:15 P.M. at St. Thomas Church in Bellerose. Following the business meeting, Program Planning for the year will be discussed and planned. Classes to be held the month of March are: Tailoring techniques: Shortcuts in Garment Finishes: Advanced Enameling on Copper: Craft Day—Wool Dog or Rabbit: Beginner's Rug Hooking; Care of Hair.

Rosary Society

On March 3, 1958 at 8:30 the Rosary Society of St. Gregory the Great R.C. Church will have its regular monthly meeting. Father John J. Brown our moderator has obtained the film, "The Holy Shroud" which is sponsored by the Redemptorist Fathers.

Incidentally "Bellerosarians" — Dot Lamb (Mrs. Joseph Lamb), has recovered sufficiently to re-join her family. Just continue your prayers and good wishes.

**Bellerose Jewish Center
Annual Bazaar**

Saturday evening, March 8th, 1958, will usher in the Annual Bazaar of the Bellerose Jewish Center. This is the 10th Annual Bazaar-White Elephant Sale to be held by this organization under the sponsorship of the Sisterhood of the Bellerose Jewish Center. This will be the biggest, most merchandise-filled Bazaar ever held in the Bellerose-Glen Oaks area.

According to the chairladies, every effort has been expended to make this the gayest, most successful function of its kind. They estimate that the assortment of new merchandise accumulated is worth in excess of \$25,000.00, at retail. This array includes groceries, housewares, hardware, women's, men's and children's clothing and many other items much to numerous to mention. All of this merchandise will be sold at very low bargain prices in many cases less than their wholesale value.

Besides these bargains, the committee has planned new and exciting games and attractions that will delight young and old.

The Bazaar-White Elephant Sale will be held in the main auditorium of the Bellerose Jewish Center, 254-04 Union Turnpike. Doors will open on Saturday evening, March 8th at 8:00 p.m. On Monday, Wednesday, and Thursday evenings, doors will open at 8:00 p.m. On the intervening Sundays, doors will open at 2:00 p.m. On the last day, Monday, March 17th, doors will open at 9:00 a.m. and will remain open until 9:00 p.m. A snack bar and cafeteria will be in operation from lunch through dinner serving delicious home-cooked meals, snacks and refreshments.

Contributions will be gratefully accepted right up to the closing day. Send all donations to the Bellerose Jewish Center, or call Fieldstone 7-3271 to have them picked up anywhere in the city.

**Juniorettes C.D.A. No. 1261
Court of St. Gregory**

Starting February 14th, from 3:30 to 5 o'clock and every second Friday thereafter, the Juniorettes, C.D.A. No. 1261, Bellerose, will meet in the lower Church of St. Gregory's for the purpose of group participation. The program on these days will be different from regular troop meetings insofar as there will be dancing, games, etc., for the purpose of bringing all of these youngsters closer together.

As you know, the Juniorettes is a planned program for girls of first Communion age up through the seventh grade. Its program is planned to develop these youngsters spiritually, emotionally, physically and morally and prepare them to meet life's situations especially around the home and to grow in virtue in imitation of the Child Jesus who ever will serve as their Model, Guide and Friend.

These girls are under the constant supervision of counselors who give of their time voluntarily without any thought of compensation of any kind and for the sole purpose of bringing out these qualities in your children, by themselves, setting an example of Catholic womanhood in the daily practice of these virtues.

Anyone interested in becoming a Juniorette or Juniorette Counselor may get in touch with the Juniorette Chairman, Mrs. Helen Angelilli—Fieldstone 7-2844.

TID-BITS

Two Hundred Forty-Sixth Hillside To Eighty-Fifth and Environs

Our thanks to the Rooney Trucking Company for keeping the roadbed of our block smooth during the snow storm of Sunday, February 16th. This means thanks too to the driver whether Frank or John.

Activity seems to be the watchword of the Laur family. With Daddy Val leading in the ice skating prowess of daughters Jeanette, and Barbara, and Mommy Judy having taken quite successfully to the silver blades, it seems we will not want for future skating champs.

Our forty-fifth anniversary reported in our last issue was the guest of honor at a dinner held in her behalf on Tuesday, February 18th. Helen C. Nichols retired from the American Telephone and Telegraph Company on February 28th and at the same time became a Life Member of the Edward J. Hall Chapter of the Telephone Pioneers of America, joining with fellow-members Irene Bowers and Fred Nichols also of our block.

Mrs. Frank Teply underwent some major surgery recently and then followed-up with a double pneumonia. She is convalescing at home and has our sincere wishes for complete recovery soon.

Anna Rooney became the victim of a freak accident not long ago. During that unpleasant period of low low temperatures and gales she was thrown to the ground when the storm door she was opening pulled her out of the doorway by the severe and sudden impact of the wind. Report has it that she is much better but still feels the effects of her injuries. Our get-well-soon wish goes to Mrs. Rooney also.

Valentine parties were enjoyed by some of the neighbors especially by those residents of the north end of our block.

Kenneth "Smiley" Burton — master craftsman in the building line—has been active on our block lately turning out some excellent attic jobs. "Smiley" grew up in Bellerose but now lives further out on the island with his wife Margaret and two children.

The March of Dimes (Polio Mothers) Campaign was ably and successfully handled this year by Ruth (Mrs. Harry) Zolen.

Our report on the lack of drainage surrounding a good part of P.S. 133 and on our own corner spot at 85th Avenue attracted some attention by the Boro officials (probably not the engineering staff). When they take corrective action we trust they will not overlook the northwest corner of 85th Avenue and Commonwealth.

Our thanks and praises to Jimmy Candy, our press boy for delivering the paper on Sunday morning, February 16th during the blizzard.

We are pleased to see Ann Kost back from her European meanderings.

Spring isn't so far away. Cheer up!

J., conducted by the Vincentian Fathers, and the Seminarians will offer a guided tour of the Monastery and Shrine dedicated to our Blessed Mother. Following the visit to St. Joseph's and the famed Independence Hall, the teen-agers will have several leisure hours for sight-seeing and then are invited to the CYO Headquarters in downtown Philly for a Dance as guests of the local teen-agers.

Recently, the Confraternity Club sponsored Elections for its Youth Council. Miss Carol Fanelli and Mrs. Terry Smith were elected as Co-presidents of the Club, and the other members voted to the Youth Council are Misses Pat Peiper, Carol Gingold, Kathleen Cook, Maureen Boylan, and Kathy Chief-for. Among the boys voted in as Members of the Youth Council are Bob Rutherford, Jim Duffy, Bill Gallagher, John Steck, and Lenny Clementi, all members of St. Gregory's Parish. Father James Reynolds is Moderator of this active teen-age Club.

After regular business the program was turned over to Mrs. Solomon, our Program Chairlady who presented the Fashion Show with all the Beautiful Models of Bellerose. Another great event was Father's Night. A door prize was given to the Lucky Father.—Everyone had a grand time.

At our March meeting the P.T.A. will celebrate its 26th Anniversary. Entertainment will be furnished by the students in Mr. Parson's Dance Class—come see our talented dancers.

Remember—come to our March meeting and help celebrate our 26th Anniversary—Refreshments will be served by the P.T.A.

Top O' The Mornin'

New York's annual St. Patrick's Day parade has become a city tradition which draws thousands of people year after year. There will be miles and miles of uniformed police, school and college bands and a reviewing stand for city dignitaries. The event will start at noon on Monday, March 17th at 44th Street and proceed up Fifth Avenue to 96th Street.

The annual St. Patrick's Day parade is one of the city's most colorful. There will be hundreds of bands of every description, uniformed police military contingents, drum majorettes, city dignitaries and everything else that goes to make a parade exciting.

ST. GREGORY'S SPORTS PROGRAM CELEBRATES 1st BIRTHDAY

The Athletic Association of St. Gregory the Great concludes its first year at the end of February. The first year, despite many errors due to growing pains, was a highly successful one. Hundreds of children participated in CYO and Intra-mural athletic activities. The purchase of uniforms and sports equipment, in addition to the installation of a baseball field, cinder running track and basketball courts were the result of many fund raising activities. Fund raising activities included two dances, communion breakfast, sports night, sports shop during the Christmas season, donations from parishioners, a parish roller skating party and contributions from our local merchants.

The intra-mural program included a field day, a fall basketball tournament and the summer baseball league. Approximately 1000 children participated in the program.

In CYO competition St. Gregory was well represented in all athletic competition. Teams represented the parish in baseball, basketball, track and swimming. The track team, which had finished a dismal eighteenth with but six points one year ago, won the class "B" Diocesan Championship last Fall scoring 50 points and during the recent CYO class "A" Indoor Championships won the Bantam division championship and finished third in the overall scoring with 36 points. Our four basketball and five baseball teams failed to win any sectional titles but made creditable showings against other parishes. The swimming team began

its season Friday, February 14, 1958. The team will swim against other parishes on Friday evenings throughout the winter and early spring.

Preparations are underway at the present time for a spring intra-mural basketball tournament, the second annual school field day, instruction in boxing and the summer baseball season.

The success of the athletic program at St. Gregory the Great was possible only through the co-operation of the men of the parish, under the guidance of Father Daniel Halloran the very sports minded Pastor of the parish, and Father James Reynolds, Moderator of the Association, and Mr. Richard Schroter, coordinator of the program.

On February 26th, Wednesday evening, the Athletic Association will have its 2nd Sports Night featuring Tommy Laughran, former boxing Champion, and Charley Norkus, current heavyweight Contender and a resident of Bellerose. Awards, medals, and letters will be given to over 200 boys who have participated in the St. Gregory Intramural Basketball League this Fall, and the members of the Track team who performed so admirably in the recent CYO Track Carnival on February 12th at the Jamaica Armory. Parents of the boys have received personal invitations to the Sports Night.

Assemblyman Wallach Elected Executive Member

Assemblyman Louis Wallach has been elected as Executive Member for the eastern portion of the 10th Assembly District by the local Democratic County Committee. He will represent the Eastern Queens area in the Queens County Democratic Executive Committee. He was unanimously elected in a meeting presided over by Dr. James Dixon, Chairman of the Demo-

cratic County Committee of Queens County. He was assisted by J. Wolfe Chassen of the Democratic Queens County Law Committee; Mrs. Alice Bauersfeld, State Committeewoman and Abraham Wilkenfeld, the secretary of the local County Committee. Wallach, age 33, is the youngest Executive Member on the Queens County Executive Committee. He

was nominated by Karl Kuegerl, the president of the Eastern Queens Regular Democratic Club, Inc. Among those who seconded the nomination were Robert Gordon, Dominick Cusumano, Matilda Luboff, Marie Mulhall, James Nesi, Michael Buonora and Alice Bauersfeld. After the meeting Borough President James Crisona congratulated the members and Mr. Wallach. The next meeting of the Eastern Queens Regular Democratic Club, Inc., will be held March 13th in the clubrooms at 260-03 Hillside Avenue.

The necessity for this election came about because of the sudden death on February 6th of Frederick A. Jacob, Secretary to the Comptroller, and Executive Member for the district since the formation of the 10th Assembly District in 1954.

ASSOCIATE SUPT. GANNON TO ADDRESS CTA MEN MARCH 11th

New York City's Associate Superintendent Dr. Edmund J. Gannon will be guest speaker at the spring meeting of the Men's Group of the Catholic Teacher's Association of Brooklyn on Tuesday afternoon, March 11th, from four to six o'clock, at the Catholic Charities Building, 191 Joralemon Street, near Borough Hall, Brooklyn. In announcing the affair, Mr. Spata hailed Dr. Gannon as an outstanding Catholic, personnel director, military administrator and educator, saying, "Dr. Gannon has rendered yeoman service in building and maintaining morale in our educational system during a very difficult period." The meeting will begin with an informal gathering at which refreshments will be served.

Meal-In-A-Dish Salad

That tasty fish, the mighty tuna, is food for thought when we recall that he can sometimes weigh as much as a thousand pounds, and has been known to reach lengths up to ten feet! But large or small, this kingpin of the seas always makes for happy eating. Try this new version of tuna salad seasoned with a delicate dressing of herbs and spices made from an envelope of Good Seasons Salad Dressing Mix.

Tuna Vegetable Salad

- 1 package old fashion French salad dressing mix
- 1 package quick-frozen French style green beans
- 2 medium tomatoes, sliced
- 1/2 cup old fashion French salad dressing
- 1-1/2 cups flaked tuna fish
- 1/3 cup chopped celery
- 2 hard-cooked eggs, chopped
- 2 tablespoons mayonnaise

Combine salad dressing mix, vinegar, water, and oil as directed on the bottle or package.

Cook beans as directed on package. Drain. Add sliced tomatoes and dressing. Marinate about 1/2 hour. Chill. Drain, reserving about 1/4 cup marinade. Combine tuna, celery, eggs, and mayonnaise. Add the 1/4 cup marinade. Arrange tomato slices on a platter, arrange green beans in second layer, and top with tuna salad. Makes 5 servings entree salad.
