

Bellerose Commonwealth Civic Association
Board of Directors Meeting held 5/4/65 at the home of Mrs. Fallon.

Minute of the previous meeting read and accepted.

Mrs. Fallon said Mr. Greenblatt had the necessary papers and information to procede with incorporation and nothing more could be done until word from him.

The next General meeting would be held somewhere other than the school and the date was tentatively set for the 25th of May and would probably be held at Ropers.

Mr. Stormont discussed the Mass Rally to be held on May 17th and sponsored by the Eastern Queens Civic Council on the topic of the Proposed Sewer Assessmants. All Politicians from Mayor Wagner down to Councilmen are invited to attend to give their views and discuss their stand on the matter. Ther will also be questions from the floor. We then had a lengthy discussion on the proposed assessments.

Mr. Stormont read the slate of Officers as made up by the Nominating Committee and a discussion followed. The one office not decided upon was President. A nominee would try to be gotten before the next meeting so that it would not be left entirely open to the floor without recommendations.

The meeting to be held May 13th at Martin Van Buren on the topic of Narcotics was discussed. It was decided to put notices in some of the local stores since our own fliers would go out to late to give this notice.

Mrs. Fallon said that the 5 tickets bought by the Association for the Eastern Queens Council Installation Dinner-Dance would be used by Mr. & Mrs. Stormant; the new president elect and his guest, and herself.

A motion was made by Mr. Ortiz and secônded by Mr. Nichols to have 2 tickets sent to each of the outgoing and incoming officers. This would take place of the dinner which has been customary.

Those present at this meeting were: Mrs. Ethel Fallon; Mr. McCarthy; Mr. Fiorito; Mr. Stormont; Mr. Ortiz; Mr. Nichols; Mr. O'Neill; Mr. Laurio; and Mrs. Joan Brown.

Meeting Adjourned.

Respectfully Submitted,
Joan Brown, Rec. Secy.
