ABOUT US

At St. Gregory the Great Catholic Academy, our children grow into lifelong learners and future leaders. Our pre-school and kindergarten programs offer a safe, nurturing environment where children develop the passion for learning so essential for future success.

From Pre-K through Grade 8, small class sizes and dedicated teachers ensure that each child receives the attention he or she needs to grow in confidence and skill. Learning and playing together in a faith-filled community develops their understanding of each child's specialness as a child of God. All are welcome.
